

Name:

Gutter Green

Product Code:

4007

Description:

Gutter Green is an alkaline, green-colored liquid whose main ingredients are 2-butoxyethanol (5%-10% by weight), disodium oxosilanediolate (1%-5% by weight), and a proprietary surfactant mixture (1%-5% by weight). It is an efficient gutter cleaning solution.

Benefits:

- Works rapidly
- Cost-effective due to high concentration
- Low flammability and instability

Applications:

- Gutter Green is a concentrated and powerful gutter cleaning product.
- Before use, Gutter Green must be diluted to a ratio of 1 part product to 2-3 parts water.
- The solution can then be sprayed onto the gutter; a pressure washer chemical injector may be used for a more thorough clean.
- A soft brush can be utilized to scrub any extremely dirty regions.
- Gutter Green should be rinsed off after application.
- Do not apply Gutter Green to polished or anodized aluminum.
- Any nearby painted surfaces or plants should be wet down or covered up to shield them from potential damage from Gutter Green.

Product Information:

Concentrate Mixed

Part No.	Size	Weight
4007-1	4x1 Gallon Case	40 lbs.
4007-5	5 Gallon Pail	50 lbs.
4007-55	55 Gallon Drum	520 lbs.

Technical Data:

Color:	Green
Odor:	Characteristic
pH:	12-13

Safety:

This product is not regulated by DOT

Keep out of reach of children. Do not handle until all safety precautions have been read and understood. Use eye, face, and rubber glove protection when handling these contents. Do not store at temperatures above 120 ° F. Do not allow to freeze.
