

# Tidal Washers

Name:  
**Magnificent Manual Parts Cleaner**

Product Code:  
**4011**

### Description:

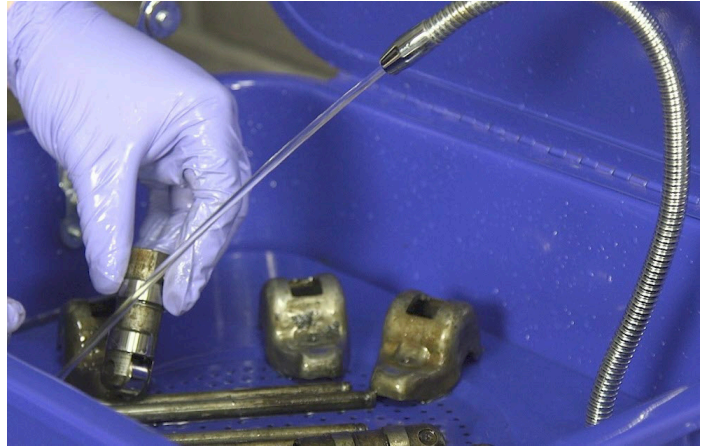

Magnificent Manual Parts Cleaner is an off-white solution whose principal ingredient is secondary alkyl/aryl sulfonic acid (5%-10% by weight). It may be used with manual parts washers and aqueous parts sinks to clean a wide variety of materials, such as brass, aluminum, steel, stainless steel, copper, and plastic. It efficiently removes dirt, oil, and grease from these surfaces. Magnificent Manual Parts Cleaner has a fairly neutral pH, which makes it less hazardous to work with than most solutions that are extremely acidic or basic.

### Benefits:

- Biodegradable
- Nonflammable
- Low-foam
- Non-caustic
- Refreshing citrus scent
- Includes corrosion inhibitors to prevent rust

### Applications:

- Magnificent Manual Parts Cleaner will clean parts made out of brass, aluminum, steel, and other materials when used in conjunction with manual parts washers and aqueous parts sinks.
- The degree to which Magnificent Manual Parts Cleaner should be diluted depends upon the level of soil on the surfaces to be cleaned.
- For light cleaning jobs, mix 12 ounces of product into every gallon of water; moderate cleaning jobs will require 18 ounces of product per gallon; and heavy cleaning jobs will require 24 ounces of product per gallon.

## Product Information:

Concentrate Mixed

Part No.	Size	Weight
4011-5	5 Gallon Pail	50 lbs.
4011-55	55 Gallon Drum	565 lbs.

## Technical Data:

<b>Color:</b>	Off White
<b>Odor:</b>	Citrus
<b>pH:</b>	8.5

## Safety:

This product is not regulated by DOT.

Keep out of reach of children. Do not handle until all safety precautions have been read and understood. Use eye, face, and rubber glove protection when handling these contents. Do not store at temperatures above 120 ° F. Do not allow to freeze.
