

Name:

Super Soy Asphalt Releaser

Product Code:

4017

Description:

Super Soy Asphalt Releaser is an amber-colored solution consisting of methyl ester from soybean oil (90%-100% by weight) and ethoxylated nonylphenol (5%-10% by weight). It can be used to inhibit asphalt from adhering to metal surfaces such as trucks and asphalt handling equipment. Super Soy Asphalt Releaser's natural anti-stick ingredients form a barrier between asphalt and metal surfaces. Furthermore, Super Soy Asphalt Releaser is effortlessly cleaned off of metal surfaces once they no longer require protection.

Benefits:

- Low flammability and instability
- Low odor
- Made with all-natural, renewable ingredients

Applications:

- Super Soy Asphalt Releaser is a solution that effectively shields metal surfaces from sticky asphalt, facilitating the cleansing of asphalt off of these surfaces.
- Before use, make sure the desired surface is free of any asphalt buildup.
- Apply a thick layer of Super Soy using a pump-up sprayer or spray arch.
- Periodically check the surface to ensure that an adequate amount of Super Soy has been applied, and reapply if needed.
- Do not dilute Super Soy with water or petroleum.

Product Information:

Concentrate Mixed

Part No.	Size	Weight
4017-1	4x1 Gallon Case	40 lbs.
4017-5	5 Gallon Pail	50 lbs.
4017-55	55 Gallon Drum	495 lbs.

Technical Data:

Color:	Amber
Odor:	Mild

Safety:

This product is not regulated by DOT.

Keep out of reach of children. Do not handle until all safety precautions have been read and understood. Use eye, face, and rubber glove protection when handling these contents. Do not store at temperatures above 120 ° F. Do not allow to freeze.
