

Name:

Tidal Brown Soap

Product Code:

4021

Description:

Tidal Brown Soap is a dark brown, alkaline solution that primarily consists of n,n-bis(carboxymethyl)-glycine/trisodium salt, sodium hydroxide, a proprietary surfactant blend, and ethylenediaminetetraacetic acid/tetrasodium salt tetrahydrate (all 1%-5% by weight). It can be used to cleanse carbon stack stain, magnetic road film, and other types of dirt and grime from trucks, trailers, and tractors. In fact, Tidal Brown Soap is one of the most popular industrial truck cleaning detergents! It is also safe to use on other surfaces made of aluminum, as well as painted materials.

Benefits:

- Can be utilized with hot or cold water
- Nonflammable
- Low instability

Applications:

- Tidal Brown Soap is a cleaning solution that is specially formulated for trucks, trailers, tractors.
- Tidal Brown Soap should be diluted to a concentration of 1:100 if being used with hot water; with cold water, it should be diluted to 1:50.
- It may be applied to trucks using a pressure washer or a drive-through truck wash.
- After application, rinse the surface well- do not let the solution dry before rinsing.
- Tidal Brown Soap should not be used on polished aluminum, anodized aluminum, or polysealed surfaces.
- When being applied to painted surfaces, the concentration of Tidal Brown Soap should not exceed 1:40.

Product Information:

Concentrate Mixed

Part No.	Size	Weight
4021-1	4x1 Gallon Case	40 lbs.
4021-5	5 Gallon Pail	50 lbs.
4021-55	55 Gallon Drum	520 lbs.

Technical Data:

Color:	Dark Brown
Odor:	Characteristic
pH:	13+

Safety:

Contains Sodium Hydroxide
