

Name:  
**Tidal Industrial Degreaser**  
Product Code:  
**4028**

**Description:**

Eco-Barrier cleaning product. It can be used to expel mold and mildew odors, as well as the mold and mildew themselves, from a number of exterior surfaces. It can also inhibit mold and mildew from returning. Additionally, Eco-Barrier may be utilized as a cleaning additive by administering to the desired surface after a cleaning solution has been applied.

**Benefits:**

- USDA approved
- Non-caustic
- Can be utilized as both a cleaning solution and a pre-cleaning solution
- Low instability

**Applications:**

- TIDAL INDUSTRIAL DEGREASER can be applied in order to erase many types of stains and grime, such as dirt, bugs, grease stains, and oil stains, from various hard surfaces.
- When being used with hot water washing, it should be diluted to a ratio of 1:100; with cold water washing, it should be diluted to 1:50.
- When being used as a pre-spray, it should be diluted to a ratio of 1:20, but may be utilized at stronger concentrations or completely undiluted depending upon the required use.
