

Name:

Tidal MAX Industrial Degreaser

Product Code:

4031

Description:

Tidal MAX Industrial Degreaser is a concentrated solution designed to clean dirt, oil, grease, and mold from road construction equipment.

Benefits:

- Can be used with hot or cold water
- Low instability
- Strong enough for commercial use
- Works well when utilized with power washers

Applications:

- Tidal MAX Industrial Degreaser can be employed to thoroughly clean construction equipment and other outdoor surfaces.
- Due to the concentrated nature of Tidal MAX Industrial Degreaser, spot-testing on a small portion of a surface before using on the entire surface is recommended.
- Before use, this cleaner should be diluted to a ratio of 1 part water:5 parts cleaner to 1 part cleaner:50 parts water.
- Concentrations greater than 1 part cleaner:15 parts water should only be used on painted surfaces when cleaning them before repainting.
- Tidal MAX Industrial Degreaser may be used with a power washer.
- Rinse well after application- do not allow Tidal MAX Industrial Degreaser to dry.

Product Information:

Concentrate Mixed

Part No.	Size	Weight
