

Name:

Tidal Metal Mirror Polisher

Product Code:

4032

Description:

Tidal Metal Mirror Polisher is a white-colored, acidic liquid that is principally composed of sulfuric acid (10%-20% by weight), ethoxylated nonylphenol (1%-5% by weight), xylenesulfonic acid sodium salt (0.1%-1% by weight), and ethoxylated alcohol phosphate (0%-0.1% by weight). This solution can be used to clean and brighten aluminum, polished aluminum, and stainless steel surfaces. Additionally, it is safe to use on livestock trailers to remove dirt, urine, and manure stains.

Benefits:

- Biodegradable
- Nonflammable

Applications:

- Tidal Metal Mirror Polisher is a cleaner designed for stainless steel, aluminum, and polished aluminum.
- Before use, it should be diluted to a concentration of 1 part cleaner to 4 parts soft water.
- It may be administered to surfaces with a low pressure sprayer or chemical injector, working from bottom to top.
- The surface should be scrubbed with a soft-bristle brush, then rinsed well from top to bottom.
- Tidal Metal Mirror Polisher should not be used on hot or dry surfaces, pumping systems, or heating coils.

Product Information:

Concentrate Mixed

Part No.	Size	Weight
4032-5	5 Gallon Pail	50 lbs.
4032-55	55 Gallon Drum	520 lbs.

Technical Data:

Color:	White
Odor:	Characteristic
pH:	≤ 1

Safety:

Contains Phosphoric Acid

Contains Sulfuric Acid

Keep out of reach of children. Do not handle until all safety precautions have been read and understood. Use eye, face, and rubber glove protection when handling these contents.
