

Name:

## Tidal Roof Foam

Product Code:

**4036**

### Description:

Tidal Roof Foam is a light-yellow solution whose principal ingredient is lauryldimethylamine oxide (10%-20% by weight). It is a bleach enhancer that serves two purposes. Firstly, it thickens bleach and provides additional foam. This feature improves bleach's ability to adhere to roofs, therefore making it easier to apply. Secondly, it increases bleach's cleaning ability. This creates a more powerful detergent for washing roofs and other exterior surfaces.

### Benefits:

- Safe to use with hot or cold water
- Nonflammable
- Low instability
- Nonhazardous

### Applications:

- Tidal Roof Foam is a bleach additive that strengthens bleach's cleaning capacity and causes bleach to thicken, facilitating its application process.
- Before use, dilute Tidal Roof Foam by adding 1 quart of solution to 55 gallons of 12.5% bleach.
- Up to 2 quarts of Tidal Roof Foam may be added to 55 gallons of bleach, but do not create stronger concentrations- this may make the solution too thick and thus difficult to use.
- Administer Tidal Roof Foam from bottom to top of the desired surface, then rinse from top to bottom.

## Product Information:

Concentrate Mixed

Part No.	Size	Weight
4036-1	4x1 Gallon Case	40 lbs.
4036-5	5 Gallon Pail	50 lbs.
4036-55	55 Gallon Drum	485 lbs.

## Technical Data:

<b>Color:</b>	Light Yellow
<b>Odor:</b>	Characteristic
<b>pH:</b>	7 - 9

## Safety:

This product is not regulated by DOT.

Keep out of reach of children. Do not handle until all safety precautions have been read and understood. Use eye, face, and rubber glove protection when handling these contents. Do not store at temperatures above 120 ° F. Do not allow to freeze.
